

Omkar Motiwale

Data science

Motivated and detail-oriented recent B.Com graduate with a certification in Data Science from ExcelR and hands-on experience from a 6-month internship at AI Variet Company. Seeking to leverage my skills in data analysis, machine learning, and statistical modeling to contribute effectively to data-driven projects.

Data Science Intern

AI Variet

Achievements/Tasks

- Assisted in the development and deployment of machine learning models to solve business problems.
- Conducted data cleaning, preprocessing, and exploratory data analysis using Python and relevant libraries (e.g., Pandas, NumPy, Matplotlib, Seaborn).
- Collaborated with senior data scientists to refine algorithms and improve model performance. Prepared comprehensive reports and visualizations to communicate findings to stakeholders.
